Agenda Item 1.2: Approval of Peer Reviewer Performance Wrap Around Guidance – Mr. Parry

Discussion Summary:

1. The Board is being asked to consider and approve the following:
 - a. Proposed reviewer performance guidance changes as laid out in Agenda Items 1.2A-1.2E
 - b. Proposed Peer Review Alert as presented in Agenda Item 1.2F
2. Items of note:
 - a. Materials were initially approved by the PRB at the January 2015 meeting with the understanding that additional changes to guidance would be presented at this session
 - b. Materials have been reviewed by the STF, AICPA Legal Counsel and the Technical Reviewer Task Force
 - c. Guidance would have a significant impact on PRISM and AEs
3. Proposed reviewer guidance changes
 - a. Three main categories of changes:
 - i. Reviewer qualifications
 1. Defines the concept of “currently active”
 2. States a reviewer should have 5 years of A&A experience
 - ii. Addressing disagreements between the reviewer and the reviewed firm
 - iii. Reviewer performance

1. Discusses the evaluation process for reviewers, reviewer feedback and reviewer removal (when necessary)
- b. Effective for reviews commencing on or after December 31, 2015
4. Discussion of Interpretation question 31g-2 (page 7 of Agenda Item 1.2A)
 - a. Guidance would be effective for reviews commencing on or after May 1, 2016
 - b. Compliance would be confirmed by the AE when performing the reviewer resume verification process
 - c. Training would include a competency assessment
 - d. The proposed guidance should further clarify who determines the acceptability of “replacement” courses

Resolutions:

1. Board unanimously approved guidance changes laid out in Agenda Items 1.2A-1.2E and the Peer Review Alert presented in Agenda Item 1.2F.

Agenda Item 1.3: Approval of Guidance Related to Common SSARS 21 Noncompliance – Mr. Parry

Discussion Summary:

1. The Board is being asked to consider and approve the following:
 - a. Peer Review Program Manual changes as laid out in Agenda Item 1.3A
 - b. Proposed Peer Review Alert as presented in Agenda Item 1.3B
2. Items of note:
 - a. PRB approved revisions to guidance related to SSARS 21 at the January 2015 meeting; specifically guidance related to preparation engagements
 - i. These engagements would not require enrollment but would be included in the scope of peer review for enrolled firms and would be required to be selected (in certain circumstances) for engagement reviews
 - b. As a result of this approval, the STF discussed revising guidance related to areas of non-compliance as addressed in PRPM 6200, Appendix E
3. Notable revisions included in Agenda Item 1.3A; these items would generally result in a deficiency or significant deficiency:
 - a. For preparation engagements, the failure to issue a disclaimer report when the accountant is unable to include a statement on each page of the financial statements indication that no assurance is provided
 - b. The performance of a management use only compilation engagement with a period end subsequent to December 15, 2015
 - c. For engagements performed in accordance with SSARS 21, failure to obtain all required signatures on the engagement letter
