If you responded "yes" to question 8 or 9, your firm is required to have its review administered by the National Peer Review Committee (NPRC)⁹ at the AICPA and your firm will be subject to the NPRC's administrative fee structure. Information related to this fee structure can be found at <http://tinyurl.com/nprcfees>.

⁷ The terms "compilation" and "review" as used herein refer to compilation and review engagements performed under SSARS. "Financial forecasts and projections" as used herein refers to compilation or agreed-upon procedures engagements of prospective financial statements performed under the SSAEs, Financial Forecasts and Projections (AICPA, Professional Standards, AT sec.301). Examinations performed under those standards are included in question 6.

⁸ Auditors of broker-dealers are required to be registered with the PCAOB. In late 2010, the PCAOB announced a proposal for an interim broker-dealer (BD) inspection program to determine what auditing standards are needed and what the scope should be for their permanent inspection program. If your firm is subject to PCAOB inspection only due to broker-dealers, answer question **Error! Reference source not found.** "No." This is because at this juncture, performing audits of broker-dealers is not a trigger for requiring a firm's peer review to be administered by the NPRC.

⁹ See Interpretation 11-1 of the Standards "Peer Reviews To be Administered by the National Peer Review Committee" which can be found on the AICPA Peer Review Program website at: <http://tinyurl.com/prguidance>. The NPRC was formerly known as the Center for Public Company Audit Firms Peer Review Program (CPCAF PRP).

If you are uncertain about your answers to questions 8) through 10) or their impact, please contact the NPRC at nprc@aicpa.org or (919)402-4502.
