Agenda for Today

- The CPA “Edge”
- How to Become Your Clients’ Most Valuable Advisor and Attract New Clients
- How to Increase Your Revenues
- Choosing Additional Areas of Advice to Provide
- How to Work Most Efficiently

© Fox Financial Planning Network™ 2012

The CPA “Edge”

- You are likely your client’s most trusted advisor
- You are a licensed professional
- You are considered an objective voice
- You work on a fee basis – no surprises

Your Clients’ Current Situation

- Your clients have multiple advisors working independently from one another
- Your clients need someone to oversee that they are receiving the most appropriate financial advice
- Many of your clients would reap huge benefits from a cohesive financial or wealth management plan

Why You Should Provide More Services

- The more services you provide to your clients, the more indispensable you become
- Your client's financial life can be simplified
- Your clients can have a true advocate
- You can become your clients' most valuable advisor

Which Areas of Advice Should You Choose to Handle Yourself?

The areas you would both:

- Enjoy delivering and
- Be competent at delivering

How to Become Your Clients' Most Valuable Advisor

MODEL #1:

- Choose the areas of financial advice you will provide
- Build a team of other professionals to handle the rest
- You coordinate and oversee the entire team

How to Become Your Clients' Most Valuable Advisor

MODEL #2:

- You do not provide ANY additional areas of advice (other than taxes)
- Build a team of other professionals to provide the rest
- You coordinate and oversee the entire team

Increase Your Revenues

- **Bill by retainer or by project**
- **Stop billing by the hour!**
(It's a pain and clients don't like it)
- **Retainers help you manage expectations on the front end**
- **Creates recurring income for the firm**

Which Clients Should You Approach?

- The tax return is your goldmine
- Identify the clients that could potentially use advice in additional areas
- Invite them for a complimentary meeting to discuss further

Deliver Your Advice Efficiently

- **You must have a system in place**
- **This includes documented workflows and the corresponding procedures**
- **Various tasks are assigned and mastered by each staff member**
- **Keeps the office running smoothly & efficiently**

© Fox Financial Planning Network™ 2012

AICPA Personal Financial Planning Section

Putting It All Together

- **Choose your model and your team of professionals**
- **Hand pick your clients**
- **Create your delivery system (workflows)**
- **Begin meeting with clients (sample script will be provided to you)**
