*Space close for Lead Gen is 10 business days earlier than regular space close.

Readex Ad Perception Surveys

Several times a year, we offer FREE ad preception studies to our print advertisers. AICPA Media Channels partners with Readex Research — an independent research company specializing in self-administered research to provide valuable reader insight to our print clients. Issues featuring a Readex study are indicated with RR.

Advertisers must place a half-page ad or larger to participate in the study. Studied issues are noted.

BPA Audits

BPA Worldwide is an independent, not-for-profit organization which verifies the circulation data of business publications, consumer magazines, and other ad supported media.

The *Journal of Accountancy* and *The Tax Adviser* open up their records to BPA Worldwide auditors who examine the circulation file to make sure it's correct and up to date. In other words, we want to assure our advertisers that our circulation figures are correct.
