(hereafter referred to as materials) of Thomson-Reuters (Tax and Accounting) Services, Inc (the Company) and the resultant materials in effect at December 31, 2010. Our quality control materials peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. The Company is responsible for designing a system of quality control and complying with it to provide users of the materials with reasonable assurance that the materials are reliable aids to assist them in conforming with those professional standards that the materials purport to encompass. Our responsibility is to express an opinion on the design of the system and the Company's compliance with that system based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a Quality Control Materials Review are described in the standards at www.aicpa.org/prsummary.

In our opinion, the system of quality control for the development and maintenance of quality control materials of Thomson-Reuters (Tax and Accounting) Services, Inc was suitably designed and was being complied with during the year ended December 31, 2010, to provide users of the materials with reasonable assurance that the materials are reliable aids to assist them in conforming with those professional standards that the materials purport to encompass. Also, in our opinion, the quality control materials referred to above are reliable aids at December 31, 2010. Organizations can receive a rating of *pass*, *pass with deficiency (ies)*, or *fair*. Thomson-Reuters (Tax and Accounting) Services, Inc has received a peer review rating of *pass*.
