Networking group benefits

- ▶ Provides a platform for connecting with peers from around the country and sharing best practices
- ▶ Connects members with many valuable PCPS tools and resources to help you tackle the toughest practice management issues
- ▶ Updates you on firm practice trends in the profession through nationally recognized speakers and roundtable discussion

Networking group firm sizes and membership requirements

- ▶ Small firm: sole practitioner to 10 CPAs in firm
 - Young owner/decision-maker group
 - Women's group
 - Virtual groups
- ▶ Medium firm: 11 to 20 CPAs in firm
- ▶ Large firm: 21 or more CPAs in firm
- ▶ Firms must be PCPS members to join a networking group. To find out if your firm is a PCPS member firm, please email pcps@aicpa.org.

The meetings — what to expect

Networking group meetings typically are one-and-a-half days long and are held twice a year (spring and fall) at locations determined by each group. The groups themselves develop the agenda topics for individual meetings, while PCPS coordinates general meeting logistics, speakers and activities.

All participants are responsible for their travel and lodging expenses, along with the meeting registration fee, which is based on cost-sharing.
