

# Virtual Career Fair Frequently Asked Questions

## What are the general candidate demographics?

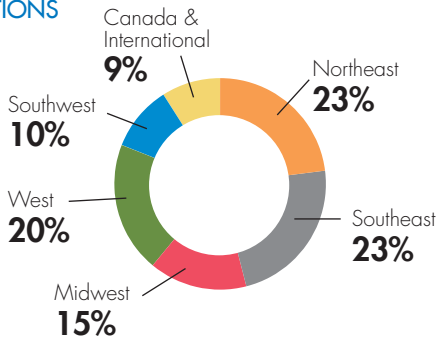

### YEARS OF EXPERIENCE

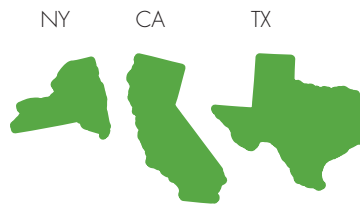

### CREDENTIALS

### LOCATIONS

### TOP STATES

## Is there a way to prioritize candidates?

Yes, you may review résumés prior to the event and invite these candidates to speak during the event.

## Will participating employers have access to the candidate attendee list?

Yes, you will receive a copy of the full attendee list after the event, including everyone who attended live and those who registered but did not attend.

## Will participating employers be able to review résumés from candidates who requested to chat?

Yes, you may review résumés during your conversation with the candidates.

## What to expect with the virtual career fair:

### BEFORE

- The virtual career fair is held from noon–3pm ET, scheduled during lunchtime to make it easier for working candidates to attend
- You will set up a virtual booth, where you can include your logo, company information, benefits, open jobs, etc.
- The package you purchase determines the number of recruiter seats, which can allow your team to speak with more than one candidate at a time

### DURING

- Candidates can log in at any time during the career fair
- Each candidate chat is limited to 10 minutes; a video chat functionality is also available
- You can take notes on the candidates in the system and rate them during chats

### AFTER

- You can review your notes, ratings and chat transcripts
- You will receive the full list of registrants (whether they attended or not), résumés and their contact information, so you can follow up
