

TAKE YOUR CAREER TO THE NEXT LEVEL  
BY ADDING FOUR SIMPLE LETTERS:  
FOR FINANCE PROFESSIONALS

THE DEMAND IS ALREADY HIGH. AND GROWING!

**MORE THAN 13,000**

publicly traded companies in the United States rely on fair value measurements for financial statement reporting purposes.

BEING AN AICPA CEIV CREDENTIAL HOLDER TELLS YOUR CLIENTS THAT YOU:

Are competent and confident in the subject matter, committed to continued learning, and have demonstrated expertise in entity and intangible valuations for financial reporting

Are committed to protecting the public interest with a transparent approach by providing consistent and reliable results in fair value measurements

Are supported by a 125-year-old established and trusted profession, and have your expertise backed by the world's largest member association representing the full accounting ecosystem

Have access to a community of like-minded professionals and the latest resources and learning opportunities — and more — to be successful
