

EXPOSURE DRAFT COMMENT FORM

Proposed Content and Skill Specifications for the Uniform CPA Examination

The AICPA Board of Examiners (BOE) values the views of CPA Examination stakeholders and seeks individual responses to the Exposure Draft as well as the official views of accountancy boards. All Exposure Draft responses will be carefully considered by the BOE as it finalizes the proposed content and skill specifications for the Uniform CPA Examination. Once approved by the BOE, the specifications will be scheduled for implementation as the new blueprint for the CPA Examination. They will be made widely available – to candidates, educators, and other interested parties - well in advance of their effective date.

Submitting Comments: To facilitate the BOE's consideration of responses, please use the attached form to submit your comments, being certain (where appropriate) to include the name of the CPA Exam Section (AUD, FAR, REG, BEC) and the Content Specifications Outline (CSO) or Skill Specification Outline reference. Please attach additional sheets if necessary.
