

As state issued orders are being lifted, AICPA has compiled a simple chart of whether the Profession is considered an “essential business” under the conditions of the previously issued stay at home orders. This chart is for reference only. In the event similar orders in the future, the specific text of future orders will need review to verify the status of the Profession.

- Last Updated—June 1, 2020

<u>State</u>	<u>Profession Essential Business?</u>	<u>State</u>	<u>Profession Essential Business?</u>
Alabama	Yes	Mississippi	Yes
