

Federal Programs Expected to be Included in the 2020 OMB Compliance Supplement Addendum – as of 10/15/20

NOTE: This document is non-authoritative. It identifies new COVID-19 federal programs and existing federal programs with COVID-19-related changes that are expected to be included in the upcoming addendum to the 2020 Supplement expected this Fall. It was provided to the GAQC by the U.S. Office of Management (OMB) for auditors to use for planning purposes. It is possible that programs not included on this list could be added, or that programs included below will be deleted. If there are future changes to the list, we will update this posting and communicate any change through a GAQC Alert.
