September 26, 2019

To the National Peer Review Committee:

I have reviewed National Peer Review Committee's administration of the AICPA Peer Review Program (program) as part of our oversight program. Our procedures were conducted in conformity with the guidance established by the AICPA Peer Review Board (board) as contained in the *AICPA Peer Review Program Oversight Handbook*.

Administering Entity's Responsibility

The administering entity is responsible for administering the AICPA Peer Review Program in compliance with the *AICPA Standards for Performing and Reporting on Peer Reviews*, interpretations, and other guidance established by the board.

Oversight Task Force's Responsibility

Our responsibility is to determine whether (1) administering entities are complying with the administrative procedures established by the board, (2) the reviews are being conducted and reported upon in accordance with the standards, and (3) information disseminated by administering entities is accurate and timely.

Conclusion

Based on the results of the procedures performed, we have concluded that the National Peer Review Committee has complied with the administrative procedures and standards in all material respects as established by the board.

As is customary, we have issued a letter of oversight visit procedures and observations that details the oversight procedures performed and sets forth recommendations that were not considered to be of sufficient significance to affect the conclusions expressed in this report.
