SPECIAL EDITION – August 2021

Special Opportunity to Provide Your Feedback!

Join a Peer Reviewer Exclusive Roundtable on the Proposed Statements on Quality Management Standards (SQMS)

Dear Peer Reviewers,

In May 2021, through a special edition of the PR Prompts and the quarterly Reviewer Alert, we provided information on the Auditing Standard Board’s (ASB) proposal and encouraged you (and your peer review client firms) to comment on their exposure draft.

The ASB’s Quality Management Task Force has been holding various roundtables to answer questions about the proposed standards and to obtain feedback (without the need for a formal letter of response).

Being particularly interested in the feedback of reviewers, representing their own views and those of their client firms, the Task Force will hold a roundtable specifically for peer reviewers on August 16, 2021 at 1:00pm ET.

Before attending, please watch the brief video and/or read the executive summaries and statements on the AICPA’s A&A Exposure Draft page:

aicpa.org/research/exposuredrafts/accountingandauditing.html.

The roundtable will feature a summary of the proposed statements followed by a live Q&A. To the extent possible, please send questions in advance to ahava.goldman@aicpa-cima.com.

The roundtable will offer 1.5 credits of CPE. We look forward to hearing your feedback and answering your questions.

Register for the special Peer Reviewer Roundtable today!

Sincerely,

The Peer Review Team
