Insurance Company Claims Filing Telephone Numbers Find Your Insurance Company

Policyholders with questions regarding their coverage for damage caused by a disaster should call the number provided on their policies or contact their insurance agent. Those policyholders unable to get to their policies can contact special toll-free numbers set up by insurance companies.

Keep in mind that due to high call volume in the wake of a disaster, it may take some time to get through on some numbers—please be patient.

Flood insurance policyholders who don't know who their insurer or administrator is can contact the [National Flood Insurance Program](#) (888-379-9531). The only information required is your name, the state where you live and your zip code.

Here is a list of claim contact numbers:
